5th International Conference on Materials and Manufacturing Engineering
March 19 & 20, 2020
Organized by Department of Mechanical Engineering
in association with IOP Conference Series: Materials Science and Engineering

ABOUT THE UNIVERSITY

KANCHIPURAM, the seat of goddess Kamakshi, the abode of the seers and houses the most sacred Mutt of Sri Kanchi Kamakoti Peetam. Their holiness Pujyarsi Jayendra Saraswathi Swamigal and Pujyarsi Sankara Vijayendra Saraswathi Swamigal, bestowed with the responsibility of fulfilling the wishes of their Guru, established a Viswa Mahavidyalaya at Kanchi, which attained the status of deemed university in the year 1993. Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya founded under the aegis of Sri Kanchi Kamakoti Peetam charitable trust in 1993 and is located in a sprawling complex of 50 acre at Enathur at a distance of about 4 km from Kanchipuram. The University accredited with ‘A’ grade by NAAC, focuses on integrating traditional knowledge with modern scientific practices with a global outlook. It also offers multi courses such as Sanskrit, Indian Culture, Ayurveda, Science, Arts, Engineering, Management & Education.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering is established in the year 1999 as a full-fledged branch offering B.E., Mechanical Engineering (Full time & Part time), M.E. Engineering Design (Full time), M.E - CIM (Part time) and Thermal Engineering (Full time & Part time) and Ph.D (Full time & Part time).

The mission of the Department is to provide opportunity to the students to become globally competent. The Department is not only associated with highly educated, experienced and research motivated faculty but also tied up with various professional bodies like Institution of Engineers (India), Tribology Society of India, CMTI Bangalore, Indian Welding Society, etc., The Department is also coupled with Materials Testing Centre and Centre for Composite Science and Tribology.

ABOUT THE CONFERENCE

The 6th International Conference on Materials and Manufacturing Engineering (ICMME-2020) organized by Department of Mechanical Engineering, Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya, Kanchipuram, India, is to be held on March 19 & 20, 2020. The conference is aimed at providing a common platform to researchers, industry personnel, academicians, students and participating professionals to interact and discuss about the advances made in the various areas of Materials and Manufacturing Engineering to address global challenges.

Special invited lectures by Scientists and experts from foreign Universities, leading Institutions. Research organizations and Industries have been planned in addition to paper presentation. The conference will focus on today’s technical challenges, research updates and breakthrough innovations that are shaping the future of Materials and Manufacturing Engineering.

CONFERENCE TOPICS (Not Limited to)

- Composite Materials
- Advanced Manufacturing
- Green Manufacturing
- Automotive Technology
- Sustainable Design & Manufacturing
- Machine Design & Dynamics
- Vibration & Control
- Nano Technology
- Industrial Engineering
- Robotics
- Lubrication and lubricants
- Fracture Mechanics
- Safety reliability & Risk management
- CAD/CAM/CIM
- Mechatronics & MEMS
- Advanced Materials & Tribology
- Thermal Engineering & Heat Transfer
- Fluid Engineering Systems
- I.C. Engines & Turbo Machinery
- Product Development & Strategies
- Rapid Prototype
- Modeling, simulation & optimization

SUBMISSION OF PAPERS

ICMME-2020 encourages original and unpublished work. The timely submitted full papers to ICMME-2020 will be evaluated by the committee for its originality and subjected to the regular peer-reviewed process. Based on the scope and quality of the work, the accepted full papers will be published in IOP conference series: Materials Science and Engineering.

The participants are requested to submit original papers through the EasyChair submission link provided below.

https://easychair.org/conferences/?conf=icmme2020

The abstract should clearly indicate the title, corresponding author’s name and their affiliation with email ID. The full paper should be prepared by using MS-WORD as per the procedure prescribed in the IOP conference proceedings template. For further information regarding the manuscript preparation, visit the IOP conference proceedings webpage.

http://conferenceseries.iop.org/content/authors

IMPORTANT DATES

- Submission of Abstract: 31-01-2020
- Submission of Full Paper: 10-02-2020
- Intimation about Acceptance: 17-02-2020
- Submission of Camera Ready Paper: 09-03-2020
- Late date for Registration: 09-03-2020

REGISTRATION

All accepted papers must be registered to ensure that the paper is included in the proceedings of the Conference. Registration fee includes Conference Kit, Breakfast and Lunch.

Registration Fee:

- Industrial Participants: Rs. 7000
- Academicians/Scientists: Rs. 7000
- Research Scholars/UG & PG Students: Rs. 6500
- Participation without paper publication: Rs. 2500
- Foreign Delegates: USD 350

The Registration Fee must be paid through Demand Draft drawn from any nationalized bank in favour of “Mechanical Engineering Association” Payable at Chennai, Tamil Nadu. (or) through Online payment.

A/C Number: 510329036
Bank Name: SCB
Branch: SCBVM University, Enathur
IFSC Code: IDIB000S145
